Owyhee, Nevada 89832

Dear Mr. Manning,

This letter is to inform you that Alisa Wong and I of the Drinking Water Protection Branch plan to be in Owyhee on August 30 and 31 to follow-up on the Emergency Order that was issued to the Bureau of Indian Affairs (BIA) on June 16, 1995.

We plan to meet with Bill Beck on the morning of the 30th and meet with representatives of the BIA to discuss development and implementation of the Work Plan required by the Order.

We hope these plans meet your approval. Please call me at (415) 744-1837 if you'd like to discuss our planned trip.

Sincerely,
